

English Learners: AB219 Corrective Action Plan Notification

Dear Parent/Guardian:

During the 2019 Legislative Session, Assembly Bill (AB) 219 was passed. AB 219 (2019) requires schools that demonstrate low achievement for English Language Learners (ELL) to establish a Corrective Action Plan (CAP) designed to improve student outcomes.

TEACH Las Vegas has been identified as a school that is required to establish a corrective action plan. As a result, we are required to notify the parent or guardian of each pupil receiving services for English learners at the high school, that the school has adopted a corrective action plan.

In addition, AB 219 states that:

The board of trustees of a school district shall allow a pupil who is an English learner and attends school that has adopted a corrective action plan to enroll in a public school outside the zone of attendance in which the pupil resides if:

- a. The pupil wishes to transfer because of the adoption of the corrective action plan; and
- b. The public school in which the pupil wishes to enroll has adequate capacity to enroll the pupil after enrolling all pupils who reside in the zone of attendance of the school and wish to attend the school.

Therefore, parent or guardian may request that a pupil who is an English Learner be transferred to a public high school that has not adopted an AB 219 corrective action plan. A list of high schools in the state of Nevada that are not currently subject to a CAP per AB 219 is attached at the end of this letter.
