

Title IA: Parent Right to Know

November 29, 2023

Dear Parent or Guardian,

On December 10, 2015, President Obama signed Every Student Succeeds Act (ESSA) into law. The law states that any school that receives funds for educationally disadvantaged students (Title I funds) must inform parents if their child is assigned a teacher for four or more consecutive weeks who has not met applicable State certification or licensure requirements at the grade level and subject area in which they have been assigned to teach.

As of the date of this notice, the following teacher(s) have yet to obtain credentials for the position to which they are assigned. They are, however, currently working to obtain the credential, and we have full confidence in their ability to teach effectively in their assigned areas.

Rudolph, Rudi	Teach Las Vegas	HQ Teacher Retention Coor.	No credential

If you have any questions regarding the qualifications of any teacher listed above, please contact Frank Williams at fwilliams@teachlv.org
